

AMERICAN BANKRUPTCY INSTITUTE

# Third **HAWAII** BANKRUPTCY WORKSHOP

August 11-14, 2010 | The Fairmont Orchid; Big Island, Hawaii

## **Third Hawai'i Bankruptcy Workshop**

**The Fairmont Orchid, Big Island Hawai'i  
August 11-14, 2010**

ABI is very pleased to join forces with the **Association of Insolvency and Restructuring Advisors**, the **Shidler College of Business at the University of Hawai'i**, the **Institute of Asian-Pacific Business Law at the William S. Richardson School of Law at the University of Hawai'i**, and the **Bankruptcy Law Section of the Hawai'i State Bar Association** to present the Third Hawai'i Bankruptcy Workshop.

The open workshop educational format will allow open dialogue between presenters and attendees, and the triple track timeline allows customization of your learning experience. Choose between Business, Consumer or International tracks. Half-day sessions allow for fun optional events in the afternoons and extended refreshment breaks and evening networking events allow you to absorb the wonderful culture on the Hawaiian Islands with your fellow attendees.

The Fairmont Orchid Hawai'i, our host hotel, is second to none. Located within the 3,200-acre Mauna Lani Resort, the Fairmont Orchid Hawai'i is an excellent starting point for Big Island adventures, offers luxurious accommodations and is approximately 22 miles from Keahole-Kona International Airport.

If you're looking for a Hawai'i vacation like none other, then make your plans to visit The Big Island. The aptly-named isle is by far the largest island in the Hawai'ian chain: Combine the size of all the others, double that figure, and the Big Island is still the larger land mass. Interestingly enough, this extra space does not translate to population, since only approximately 140,000 people, many of them living in urban areas like Hilo, call the island home. A nature-lover's paradise, the Big Island has remained relatively unspoiled, and its protected forests include the Kau, Kapapala and Ruu Makaala Reserves in the south and the Mauna Kea, Kohala and Hakalau Reserves in the north.

Take advantage of this rare opportunity to earn 10.5 hours of CLE and CPE credit, in one of the planet's most beautiful locations.
